¹ A measurement of the athlete's height with shoes off.

² A measurement of the athlete's middle finger to middle finger with arms spread wide.

³ A measurement of the athlete's vertical reach with one hand, measured by the middle fingers.

⁴ With their hands in front of their chest, the athlete will mimic blocking a volleyball while trying to reach maximum height.

⁵ A measurement of the maximum spike height of an athlete with a full spike approach.

⁶ An agility test at maximum speed and directional changes.
